

ACT electricity and natural gas theft report

What is this form?

This form is used for reporting electricity and natural gas theft. If you know or think you know of anyone stealing in the ACT let us know by filling in this form.

To complete this form you will need:

- Address of where the theft took place

Please note: Theft of electricity or natural gas and interference with ActewAGL's equipment are serious offences which attract substantial penalties. In the long run, it costs you money. Tariffs have to be adjusted to compensate for losses.

Your information is completely confidential.

Alternative contact

You can also report a theft by phoning ActewAGL on 13 14 93.

The process after lodging

We will endeavour to contact you within 5 working days. If you want to change your application or you have any questions about the form please contact us.

Please note: If you think the premises you have moved into has been interfered with in regard to the theft of electricity or natural gas do not attempt repairs until it has been inspected by ActewAGL and advice given.
